

## 2008 Huntington Lake Regatta

### Notice of Race

The Fresno Mercury Fleet invites all Mercury sailors to Huntington Lake, California for the 54th annual Huntington Lake Regatta. This year's racing days are July 26th and July 27th we hope to welcome most of the fleet well before the racing starts. Plan some extra time so you can enjoy a day or two in this beautiful mountain resort area.

Friday, July 25th at 1400, the 14th annual Mercury Junior Championships will be held starting in Bear Creek Cove. There will be two divisions - under 14 and under 18, so younger kids will have easier courses and won't have to race the big kids.

**Where:** Huntington Lake, California - 69 miles east of Fresno

**When:** skippers meeting at Lakeshore Beach 10.00 a.m., July 26m
